Office work

- Contractor's controlling operation this week: To DP: Punch list To CW: EBF1 Waiting Period.
- No Safety meeting this week.
- Received an email from Jonathan with a list of all training classes he has signed up for (see Notes Calendar) they are: Wednesday and Thursday (Advanced CPM), as well as Monday and Tuesday (SWPPP 2), and Thursday (Drainage Inspection) of next week.
- Updated RMS with revised information.
- Received an email from Jill Pollock of Environmental Engineering Support informing REs to please be advised that the US EPA is conducting an audit of Caltrans Statewide Stormwater Program. Audits will be conducted in a combination of office and field visits. District 4 will be audited on October 6 and 7, 2009. We will not be provided advanced notice of which construction sites, maintenance or other facilities that will be audited. Therefore, please take immediate action to ensure that all appropriate stormwater pollution prevention measures and best management practices have been implemented and that stormwater treatment devices and construction projects are ready for the storm season. In addition, please ensure that site and project records are complete, up-do-date, and available. Informed Ravi to check the files for completeness and cced Raj.
- Received a call from Fernando Lyon that the Fire Department would like to use the Skyway structures and conduct training for their staff. He asked if it was OK with us. I said it is OK and sent an email to MCM to inform them of the activities near them. Fernando said that he would also call MCM to let them know when they will be there.
